

Corona vaccination day

Tuesday, 2 and 30 November 2021
2pm – 8pm | Gemeindehaussaal

Embrach

Vaccination is a good thing - for you and for all of us! Vaccination provides a very high level of protection against infection with COVID-19, the further spread of the virus and a severe course of the disease!

Take this opportunity to be vaccinated free of charge on site and without prior registration! Please bring an identity document and your health insurance card with you.

We look forward to seeing you.
